1. INTRODUCTION

1.1 Purpose of the Document

This document outlines the risks and regulatory considerations associated with the use of the services and Website of Khabarov & Co. Limited.

1.2 Importance of Understanding Risks

Before using the Website or engaging in any activity related to Khabarov & Co. Limited, users must thoroughly review this document and understand the potential risks. These risks include, but are not limited to, financial, regulatory, and operational risks.

2. GENERAL RISKS

2.1 Financial Risks

Users should be aware that engaging with any investment-related activity carries inherent financial risks. Market fluctuations, liquidity issues, or other unforeseen circumstances may lead to a partial or complete loss of invested capital.

2.2 Technological Risks

The Website and its services rely on various technologies that may be vulnerable to failures, disruptions, or attacks. Users acknowledge that technical issues such as downtime or data breaches can impact their experience and may result in financial or operational consequences.

2.3 Operational Risks

There are risks associated with the Company's operations, including but not limited to delays, human error, or disruptions in communication systems. These factors may affect the timely delivery of services.

3. LEGAL AND REGULATORY RISKS

3.1 Compliance with Local Laws

Users are responsible for ensuring that their use of the Website and services complies with the laws and regulations of their jurisdiction. Failure to comply may result in legal consequences or restrictions on access to the Website.

3.2 Regulatory Restrictions

Certain jurisdictions may impose restrictions or requirements that affect the availability or legality of the Company's services. Users must independently verify whether their jurisdiction permits the use of the Website and related services.

3.3 Impact of Regulatory Changes

The regulatory environment is subject to change. New laws, policies, or enforcement actions may affect the availability, functionality, or terms of the Company's services without prior notice.

4. SPECIFIC RISKS

4.1 Data Transfer Risks

Certain data provided by users may be transferred to and stored in jurisdictions outside their country of residence. These jurisdictions may not provide the same level of data protection as required by local laws, which may expose users to additional privacy risks.

4.2 Third-Party Risks

The Company may engage third-party service providers to deliver certain aspects of its services. While we strive to partner only with reputable providers, the Company cannot guarantee the performance, compliance, or reliability of third-party entities.

4.3 Market and Industry Risks

Users should recognize that financial markets and industries are subject to rapid changes, which may affect the reliability or relevance of information provided by the Company. These factors can influence the performance of investments or decisions based on such information.

5. LIMITATION OF LIABILITY

5.1 Inability to Eliminate All Risks

Khabarov & Co. Limited makes every effort to mitigate potential risks; however, it is not possible to eliminate all risks associated with the use of its Website or services.

5.2 No Guarantee of Outcomes

The Company does not guarantee any specific outcomes, including financial returns, from the use of its services. Users acknowledge and accept that all decisions are made at their own risk.

5.3 Indemnity

Users agree to indemnify and hold harmless Khabarov & Co. Limited from any claims, losses, or damages arising out of or in connection with their use of the Website or services, including violations of applicable laws or this document.

5.4 Exclusion of Certain Liabilities

The Company shall not be held liable for any indirect, incidental, or consequential damages, including but not limited to loss of profits, data breaches, or delays caused by third parties or unforeseen events.
